Story user update info

As a user, I want to be able to update my profile information to keep it accurate and personalized.

Acceptance Criteria:
- Users can access and edit their profile information (name, email, specialisation).
- Users are NOT authorized to change their role.
- Users are NOT authorized to access and edit other users' profiles.
- After updating the profile, the user gets confirmation.
- All tests pass.

Story admin manage teams

As the admin, I want to be able to manage teams so that I can help users collaborate smoothly.

Acceptance Criteria:
- Admin can create a team.
- After creating a team, the admin gets confirmation.
- After creating a team, it's immediately available for users to use.
- Admin can delete a team.
- Admin gets asked to confirm before deleting a team.
- After deleting a team, all members are disassociated from it.
- All tests pass.

Teams

Id	Name	
1	Red Team	🗑
2	Blue Team	🗑
3	Green Team	🗑

Are you sure you want to delete this team?
